

TERACORE

Capability Statement

Trusted Provider

Teracore (SDVOSB) is a trusted provider of Management and Information Technology Consulting services to U.S. federal government agencies. We have received a consistent record of Exceptional/Very Good CPARS ratings on our projects since our founding in 2002. Teracore has the advantage of supporting the OCIO, OCFO, and Service Centers of government agencies, enabling transformation and cost savings in multi-disciplinary environments.

Vehicles: VETS2, OASIS+, Polaris, GSA MAS

Differentiators

- **Proven Prime Contractor:** Teracore is a proven Prime contractor, having primed over 100 contracts across the federal government, providing critical expertise to federal customers and management of large and small business partners.
- **Top Performer:** Teracore is recognized for high quality service delivery — we have a Dun & Bradstreet performance rating of 92%, which places Teracore in the top 10% of U.S. businesses in our category.
- **Trusted DHS Partner:** Top contractor on DHS EAGLE II FC2 Small Business @ over \$100M+ awarded; Teracore has supported DHS continuously since 2006.
- **Innovative & Customer-Focused:** We blend management and IT disciplines to provide tailored, innovative solutions to our customer's business needs.
- **Efficiency-Driven Solutions:** Teracore identifies emerging technologies, removes obstacles, and delivers a practical roadmap to operational efficiency.
- **Strong Partner Network:** We maintain strategic partnerships and have established successful teaming relationships with numerous partners serving as the prime and subcontractor. Through these relationships, Teracore has access to subject matter experts and resources nationwide.
- **Mature, Scalable Processes:** Our mature processes and culture-changing frameworks create repeatable results and allow business needs to drive technology solutions for our customers.
- **Certified Quality Focus:** Teracore is CMMI Maturity Level 3 and ISO 9001 certified, and our project managers are 100% PMP certified, emphasizing our commitment to quality performance.
